1. The reply filed on 10-24-2002 is not fully responsive to the prior Office Action because of the following omissions or matters: applicant did not elect one of the three groups outlined in the 10-10-2002 restriction requirement. Applicant cancelled these claims and presented new claims of a different scope than the previous claims of record and presented two more sets of claims drawn to two additional groups of invention. Applicant is advised that the response to his requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143). See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
